Job Purpose

To provide timely, effective information, advice, signposting and support to residents of Swindon. This can be delivered by telephone, via email, text or face to face. The scope of the role will include one off contacts as well as coaching style conversations which could take place over a series of interactions. The conversations are designed to:

- Deploy the MECC (make every contact count) principles
- Deal with enquiries quickly and effectively, avoiding 'hand offs'
- Improve confidence and trust in the organisation and health and social care system
- Improve the person's confidence and competence to self-manage in the future
- Engender positive, solution focused and client centred approaches
- Improve general health and wellbeing through access to emotional and practical support
- Provide access and contacts to further specialist support
- Take account of the person's story so solutions sought are client centred
- Fulfil the requests associated with our Covid Response work (local tracing, welfare visits, support for those self-isolating and shielding)

Key Accountabilities

Local Tracing

- Undertake case interviews of COVID-19 cases identified for contact tracing in line with the contact tracing and management protocol and further protocols or guidance as indicated
- Seek ways to best support residents to continue to self-isolate when informed to do so
- Modify and adapt methods of communication to account for the differing needs of contacts especially in stressful and difficult situations, or where English isn't their first language and ensure polite, efficient and appropriate communications exist at all times

- Provide customer focused specialist advice with the help of the programme lead regarding COVID -19 regulations and guidance
- Responsible for the timely and accurate recording of information from those interviews using systems provided.
- Maintain accurate, up to date records of contacts/action by completion of relevant records and compliance with team handover procedures, in line with PHE operational guidance and procedures.
- Undertake and participate in any training required for the post holder to fully carry out their duties, including mandatory updates/refresher training.
- Carry out doorstep visits and welfare checks in order to complete the tracing process and ensure people are well and isolating as required.

Clinically Extremely Vulnerable and Self Isolating Residents

- Undertake follow up calls to those individuals who have requested local authority support to ascertain level of need and facilitate support accordingly.
- Undertake proactive, exploratory calls with residents where a concern has been raised for their welfare or needs have been identified.
- Work alongside colleagues to identify onward signposting or referrals to ensure the residents get the information, advice or support required in a timely way.
- Carry out doorstep visits and welfare checks in order to complete the tracing process and ensure people are well and isolating as required.
- Effectively use PODIO to record data and outcomes associated with the resident.
