Values and Behaviours

We strive to underpin our culture through strong management and authentic leadership, this means getting the management basics right, and ensuring what we commit to individually and collectively, we own and demonstrate accountability aiming to get things right first time. Building on this we also expect everyone at SBC to demonstrate and live our organisational values and behaviours, this means in our work we are:

Connected: We put Swindon and its people at the heart of everything we do.

We display a communication and behaviour style that promotes a positive Council identity in connecting with residents, customers, colleagues and other stakeholders ensuring a partnership approach to delivering our vision. Always asking, "is what I am doing in the best interests of Swindon and its people,"?

Resilient: We are forward thinking and work smart

We seek to identify where things can be improved, ensuring this learning is embedded, evaluated and built upon through a strong approach to continuous organisational development.

Brave: We respect and work together with our colleagues and customers to achieve success

We act in an emotionally intelligent way, setting positive examples around accountability, risk and governance. This will be delivered through developing ourselves and our teams to achieve the highest possible levels of productivity and performance.
