

Job Title: Community Navigator (Safely home)	Role Profile Number: SO3192
Grade: M	Date Prepared: 26/05/21
Directorate/Group: Adult Services	Reporting to: Live Well Response Manager
Structure Chart attached:	No

Job Purpose

This post holder will work as part of Health Improvement Services, Public Health, in support of individuals who live in Swindon and have been identified as being at risk of hospital re –admission or who have recently been discharged from hospital and do not have the support of family and friends. The role of the Community Navigator is to support and coach people to navigate through health, Community and Voluntary sector services in Swindon to improve their well-being and quality of life. In addition the community navigator’s role is to enable the individual to become more independent and empowered in the management of their Long Term Condition and/or circumstances. The post holder, who will specialise in working with people on their discharge from hospital will work alongside the Project Officer - Safely Home Service and Live Well Response Manager to offer a holistic and person centered approach to behaviour change.

The expected outcomes and impact to be delivered are:

- A reduction in the readmission to hospital following discharge
- Sustainable change and improved wellbeing
- Partnership working to reduce duplication
- People feel more in control and report being less isolated and improved well-being

Key Accountabilities

Deliver 1:1 support

- Offer practical and motivational support through coaching to create the conditions for change for residents who have been discharged from hospital.
- To support people to develop healthy lifestyles through improved understanding of the choices that they make.
- To identify and utilise community and voluntary resources to improve individual self-care and to highlight ideas and areas of needs for future community and voluntary service provision.

- Delegate and oversee practical support work to clients referred to the service.
- Escalate and refer challenging or complex cases or incidents to the appropriate agency or team in line with the safeguarding policy.
- Liaise with referring partners and where appropriate the lead professional.
- Provide advice and guidance to individuals providing practical support by protocols and procedures.
- Work through individual support plans which have been co-designed with the resident and the therapeutic specialist, adapting and modifying where necessary.
- Modify and adapt methods of communication to account for the differing needs of contacts especially in stressful and difficult situations, or where English isn't their first language and ensure polite, efficient and appropriate communications exist at all times.
- Defer to lead professional in ASC or safeguarding team where appropriate.

Record Keeping

- Responsible for the timely and accurate recording of interventions through case management systems, e.g. Podio, Eclipse.
- Deliver and update strength-based - person-centred Live Well personal plans that ensure a holistic empathetic and realistic programme of work for each individual that engages with the service.
- Maintain confidential records as directed in accordance with SBC and PHE procedures and legal requirements, including Data Security and Clinical and Information Governance Guidelines.

Partnership Working

- Build relationships with Statutory and Non statutory partners to maximise impact and improve life for Swindon residents.
- Attend regular MDT meetings to improve the service and ensure joined up personalized support for Swindon residents being discharged from hospital.
- Contribute to any necessary ongoing development of current protocols, guidance and standard operating procedures as appropriate.
- Work with Voluntary, Community and people at neighbourhood level to engage with sources of support for people leaving hospital.

Supplementary Accountabilities

- Play an active role within the Public Health team including regular attendance of team meetings, PH Directorate meetings and contributing to the overall business plan.
- Attend team meetings and on-going training and development sessions, to share good practice and develop knowledge and expertise.
- Keep abreast of local and national changes in services and opportunities, to ensure knowledge and practice is up to date.

Knowledge & Experience

- Knowledge of community resources across health, social care and the voluntary and community sector.

- Knowledge of the boundaries of confidentiality and safeguarding.
- Knowledge of health, social care and voluntary and community sector services and networks in Swindon.
- To apply knowledge from your own background to the development and delivery of effective working for service users.
- Experience of using coaching and/or motivational interviewing or similar techniques.
- Experience of being creative and innovative to find out of the box solutions.
- Experience of reflective working to improve performance.
- Experience of working in a culture of honesty and transparency.
- Experience of seeking support, consultation and advice from colleagues.
- Experience of working collaboratively with other workers/agencies in order to coordinate a multi-agency package of support.
- Confidence and experience to make appropriate autonomous decisions within the framework agreed via line management supervision.
- Experience of working in or with the Voluntary and Community sector.
- Experience of working on a one to one basis supporting an individual's Health and Wellbeing.

Qualifications

- Degree or equivalent in Public Health, Community work, education or health and social care or similar field or substantial practical experience and on the job training.

Decision Making

- Ability to learn, be open to change and to demonstrate a can do attitude.
- Ability to work on your own initiative and also work collaboratively as part of a wider team.
- Ability to fully involve service users in the development of their plans to manage their self neglect or hoarding behaviour.
- Ability to prioritise and manage a changing workload with support using a wide range of strategies.
- Ability to facilitate appropriate interventions for a finite period of time (to suit the client) and to ensure robust transition arrangements are in place to encourage confidence in the client to self-manage.

Creativity and Innovation

- Using and sharing insight across the team.
- New ways to support residents.
- Ability to be flexible and creative in order to find solutions for service users that result in achieving greater and lasting resilience and independence.
- Creating stories and journey logs for individuals and groups.

--	---	-----------

Contacts and Relationships

- Ability to connect with people and put them at ease
- Ability to be emotionally literate and empathetic
- Excellent communication skills and an active listener
- Ability to build effective, respectful relationships with service users within a diverse community
- Good Coaching, motivational interviewing and listening skills, with empathic approach and ability to put the service user's need first
- Ability to engage with members of Primary Health Care teams and other local resources
- Will need the ability to build strong and constructive working relationships with:
 - Clients and families
 - Variety of professionals and teams
 - GP surgeries and teams
 - Community and Voluntary organisations
 - Colleagues
 - Dealing with stressful/sad circumstances surrounding COVID 19

Other Key Features of the role

- A flexible approach to working which is likely to be office based and will include some evening and weekend working
- Dealing with stressful situations and issues associated with the pandemic
