

Vision for Children's Social Care

Safe Practice	Early Intervention	Direct Work	Workforce Development	Children we Look After	Impact and Outcomes
We work together with all our partners to ensure our most vulnerable children and young people are safe from harm	We will ensure that we will intervene at the earliest opportunity to effect positive change and offer timely and proportionate action to children's needs	We will ensure that our children, young people and families are supported to fully work with us	We will ensure that we have competent skilled and stable staff including sufficient numbers of foster carers, who reflect the diversity of our borough so children receive timely responses to have their needs met	All the Children we look after will be protected, educated, are healthy and are fully prepared into adulthood	We will all continue to build an environment where social work practice will thrive and ensure all children and Young People achieve good outcomes
