Role reports to (Job Title):  
**Senior Practitioner/ Operations Manager Joint Adult Health and Social Care team**

**Job Purpose:**

- To work within and demonstrate compliance within appropriate legislative frameworks.
- To work as a member of a multi-disciplinary team, carrying out assessments to identify if an individual has Care Act eligible needs.
- Ensuring that the principles of the Mental Capacity Act 2005 and Care Act 2014 underpin practice.
- To understand and apply Fair Access to Care Services eligibility criteria.
- To use the care-planning process to identify the most appropriate way to promote independence
- To provide advice, information and signpost to other agencies/ support services as appropriate, in creating a care plan.
- To arrange for provision of services, equipment/ minor adaptations as appropriate
- Working within an integrated approach to service delivery with other social care, health and education professionals, other agencies and the full range of community resources.

**Key Accountabilities:**

- To manage a caseload of individual Service Users and Carers and undertake role of Key Worker and/or Care Co-ordinator when appropriate.
- To work within and demonstrate compliance with appropriate legislative frameworks, e.g. Mental Capacity Act 2005, and Care Act 2014.
- To collect and share information with the team manager and other team members
- Assess the needs of Service Users and Carers within a person-centred approach to clearly identify and fully understand the nature and level of their individual needs and risks.
- Develop Support Plans/Care Plans with Service Users and Carers to ensure their assessed needs are met, through an integrated approach with health colleagues, other agencies and community resources, in a manner which promotes and maintains the Service Users and Carers independence.
- Review individual Support Plans and Care Plans, to ensure the assessed needs of Service Users and Carers are being met; to monitor the quality of service delivery; and confirm that outcomes and objectives are being met and whether the level of service provision or direct
- Apply eligibility criteria to assessed needs/ risks; provide information and signpost to other agencies as appropriate.
- To ensure that needs/ risks which have been identified as being eligible for community care services, will be met, whenever possible, through the provision of aids and equipment, in order to promote the independence of the person concerned.
- To bring to the attention of the team leader when, following an assessment visit the needs/ risks identified are complex and require further assessment by a qualified worker.

- To apply for community care funding for small packages of care to meet eligible needs, by ensuring the relevant funding request, assessment and care-planning documentation is provided
- To complete required documentation for provision of aids and equipment.
- To liaise with the provision and finance team and service users and carers, with regard to domiciliary care service requests, to ensure the timely start of services.
- To ensure that the recording processes have been fully completed, a copy of the Care Act Assessment/Review and Support Plan is sent to the service user, and that the Customer Records Management System is updated.
- To manage any delays in provision of services/ equipment, which may arise.
- Monitor and review the effectiveness of the care plan (service/ equipment) in meeting the needs of the service user, record and feedback to the team leader.
- To provide information, advice and guidance to carers in relation to financial, health and wellbeing support and signpost to relevant services where applicable.
- To complete carer's assessments, support plans and reviews to include respite support where need is identified and complete applications for Carers Support Scheme when applicable.
- To ensure that the Finance and Benefit Team have been informed of the need for a financial assessment to be carried out, in order to maximise the income for the service user/ carer.
- Act as enquiry officer alongside Safeguarding Team in vulnerable adult cases, in line with the multi- agency policy within which adult social care is the lead agency.
- Providing support as part of the duty team to individuals and their carers who are unallocated within the team. This support includes triaging referrals, attending multi-agency meetings, carrying out assessments/reviews and supporting people through crises situations.
- To attend and be actively involved in 1-1 supervision meetings, 4 weekly, in line with the Adult Social Care supervision policy. Also to be actively involved in the appraisal process.
- To attend and be actively involved in team meetings, team briefings and case discussions.

**Supplementary Accountabilities:**

- To carry out duties in accordance with all SBC policies including Equalities Policy; Lone working; Email; Sickness Absence, Health and Safety etc.
- To carry out duties in accordance with the Code Of Conduct of General Social Care Council
