

Role Profile

SWINDON
BOROUGH COUNCIL

Job Title: Advanced Social Worker	Role Profile Number: SBC_11714
Level: CFL 11	Date Prepared: Feb 2024
Directorate/Group: Children's Services	Reporting to: Assistant/Team Manager
Structure Chart attached:	No

Job Purpose

Practitioners working in line with the Advanced Level of the BASW Professional Capabilities Framework (PCF) are expected to provide and uphold standards practice and professional leadership through the development of evidence-informed practice, quality assurance, staff development, knowledge development and management, and will also help to influence and contribute to strategic development in the organisation.

To hold a smaller than average caseload to ensure you can provide leadership and supervision to colleagues within your team, supporting the Team Manager/Assistant Team Manager (where applicable) with day to day operations and contributing to an effective and efficient team and Service

The role purpose is to champion high professional social work standards by encouraging and supporting opportunities for reflection, learning and critical challenge.

You will deliver on the job training, mentoring to alternatively qualified staff, ASYE, students and less qualified Social Work staff in the council.

Key Accountabilities

- To work independently to hold and effectively manage a more complex and multi-faceted caseload, but less than an average workload, and ensuring appropriate levels of responsibility commensurate with the individual's knowledge and skills
- Work directly with children, young people and Families, involving all key family members and prioritising children and young people's safety. Work using a variety of interventions focusing in the main with the practice tools of the Family safeguarding model methodology which works to promote collaborative approaches with families to empower them to find solutions whilst ensuring working within policies, procedures of Children Services and regulatory standards

- Carry out meaningful and in-depth ongoing assessments of social need and risk/harm to children with particular focus on parental capacity and parent's ability to change
- Recognize harm and risk indicators of different forms of harm for children relating to physical, sexual, emotional harm as well as neglect. Consider the possibility of exploitation in all forms including on line which pose a risk to children, recognizing too the potential for children to be perpetrators of abuse
Provide reflective and research-based supervision to those you supervise and mentor
- Manage and resolve complex and high-risk situations using negotiations and diplomacy, involving individuals, their families, or staff groups, seeking support from manager(s) when required.
- Take a lead role in promoting safeguarding within the team in line with Swindon policy and procedures for safeguarding
- Promote, develop and model high quality social work practice including working within statutory responsibilities. Role modelling evidence based practice and exemplify professional standards required.
- Represent the council and / or lead in multi-disciplinary working with health, police and other partner organizations, working collaboratively to ensure effective communication, information sharing and to support effective and timely decision-making processes
- Provide professional and operational support and advice to colleagues including students, alternatively qualified and less qualified social workers, management on a broad range of issues relevant to social work which could be contentious and challenging in nature, and to aid the development of skills, knowledge and experience and addressing performance issues.
- Supervise and appraise social workers in line with the Post Qualifying Standards for Social Work Supervisors to influence and improve service delivery.
- Contribute to and participate in development of best practice in social work in conjunction with the Principal Social Worker and wider senior management colleagues,
- Operate within defined budgetary and financial policy and process for social care staff
- Participate fully in Performance Management reviews, working closely with the leadership team to monitor, analyse and improve team performance and contribute to creating a high-quality service
- Chair a range of level of need/ harm professional multi-agency/disciplinary meetings to ensure fair, consistent and effective practice is in place to ensure progression of plans
- Support qualified staff in attending Child Protection Conferences and Statutory reviews as well as Court when appropriate to do so

Supplementary Accountabilities

- Promote equality and diversity best practice in all areas of work and treat everyone with fairness and dignity whilst demonstrating the commitment to anti-discriminatory and oppressive practice
- Ability to use and contribute to supervision / team meetings to promote your own and team development, skills and learning.
- Recognise health and safety is a responsibility of every employee. Take reasonable care of self and others and comply with the Council's Health and Safety policy and any service-specific procedures/rules that apply to this
- Ensure conduct and behavior is exemplary at all times
- Swindon Borough Council have teams in various locations across the town. You could be required to work from a different team or location if the business requires you to do so.

Safeguarding

For all roles within Children's Social Care. All children have the right to grow up safe from harm and the Children Act 1989, and 2004 place duties on all agencies to promote and safeguard the welfare of children in need and at risk in their local area. A child is defined within the Children Act 1989, as anyone who has not yet reached their 18th birthday. The Swindon Safer Partnership (SSP) has produced levels of need guidance 2024 which is aimed at every agency, statutory, voluntary, private and independent which works directly or indirectly with children, young people and families. The purpose of this guidance is to help agencies identify a child's degree of need and respond appropriately. The levels of need document include: The assessment framework to determine and decide when a child should be referred to the local authority children's service referral and assessment team for statutory services under: section 17, section 47, section 31 and section 20 (Working Together 2023).

Knowledge & Experience

- Significant relevant professional experience post qualification in a similar work environment including proven assessment and investigation skills, of working effectively with children, young people and Families and can demonstrate positive impact, using safe practice techniques to promote and achieve good outcomes.
