Keep abreast of business support administrative tasks, processes, procedures and responsibilities, with particular responsibility for assisting with the production and updating of any local work instructions.

Flexibility to work within and support other business support service areas as required where your skills, expertise and knowledge can be utilized.

Develop functional expertise in core tasks, to be able to assist in providing resilience, and to carry out quality monitoring.

Support the BSTL and local H&S Advisors in promoting and maintaining a safe workplace.

Where the team has responsibility for providing budgetary support to the SBC Service Head, then the

SBSA is also expected to have a good understanding of financial monitoring and reconciliation.

Key Accountabilities:

Assist with the management of work allocation across the team to achieve any agreed task service delivery levels.

Keep abreast of business support administrative tasks, processes, procedures and responsibilities in all service areas supported with particular responsibility for assisting with the production and updating of any work instructions.

Monitor team absence levels and trigger appropriate action where necessary in line with SBC guidelines.

Responsible for team staffing levels to maintain service delivery, authorising the team(s) annual and flexi leave requests. Serious staffing level issues to be escalated to the BSTL.

Undertake team one to one meetings, return to work interviews, monthly team meetings and contribute to 6-monthly reviews and appraisals in line with SBC guidelines.

Manage and address any personnel matters in a timely manner, capturing and recording information and keeping HR or management aware as appropriate. Serious issues to be escalated to the BSTL.

Manage team's training and development needs and provide support and guidance as required.

Assist the BSTL to review staff cross training ability and schedule training as required to ensure there are suitable numbers trained within Business Support to deliver the service.

Work with the local council personnel and help to produce, maintain and distribute the service area processes and procedures.

Produce, maintain and distribute processes and procedures relating to Business Support as and when changes arise.

Review current working practices and make recommendations, proactively promote and take ownership, with the support of the BSTL, for improvements to service delivery.

Where necessary, provide accurate and timely weekly and monthly reports on team performance, progress, issues and successes to the BSTL.

Communicate company and or service delivery information to your team in a timely manner.

Supplementary Accountabilities:

1. Participation in ad hoc projects/working parties as determined by SBC needs.
2. Assist with the management of Health & Safety within the team, supporting any local H&S Advisors.
3. Contribute, with ideas and suggestions, towards cost savings and efficiencies.

Values and Behaviours

We strive to underpin our culture through strong management and authentic leadership, this means getting the management basics right, and ensuring what we commit to individually and collectively, we own and demonstrate accountability aiming to get things right first time. Building on this we also expect everyone at SBC to demonstrate and live our organisational values and behaviours, this means in our work we are:

Connected: We put Swindon and its people at the heart of everything we do.

We display a communication and behaviour style that promotes a positive Council identity in connecting with residents, customers, colleagues and other stakeholders ensuring a partnership approach to delivering our vision. Always asking, “is what I am doing in the best interests of Swindon and its people,”?

Resilient: We are forward thinking and work smart

We seek to identify where things can be improved, ensuring this learning is embedded, evaluated and built upon through a strong approach to continuous organisational development.

Brave: We respect and work together with our colleagues and customers to achieve success

We act in an emotionally intelligent way, setting positive examples around accountability, risk and governance. This will be delivered through developing ourselves and our teams to achieve the highest possible levels of productivity and performance.
